CREDIT POLICIES

By signing the credit application, I acknowledge that:

I understand that on my 30 day Daily Invoicing account payment is due upon receipt of my invoice statement.

I understand there will be no late charge if I pay the "AMOUNT DUE" on my account within 20 days from the closing date of each billing cycle. I understand the "PAST DUE" amounts shall be subject to a LATE CHARGE of 1½% per month (ANNUAL PERCENTAGE RATE OF 18%)

I understand I may elect to use the EZ-Pay Plan if approved by Burch Oil Company. This is a monthly budget starting in AUGUST and continuing through JULY. After November 30th, all applications will be set up on a 30 day daily invoicing account subject to credit approval. I understand that no LATE CHARGES will be added if payments are made as arranged. I also agree to pay the "AMOUNT DUE" on my statement within 20 days of the closing date. I understand that the amount of my budget payments can change due to fuel price increases and the severity of the winter.

I understand for any check returned from the bank marked NSF, ACCOUNT CLOSED, etc. a \$35.00 SERVICE CHARGE will be added to my account.

I understand that any costs expended by Burch Oil Company in the collection of my account, should that become necessary, will be added to what is already owed to include reasonable attorney's fees in the amount of thirty-three and one-third (33⅓) of the amount due, plus court costs and service fees.

I understand that the minimum delivery is 150 gallons. Any delivery less than 150 gallons is subject to a DELIVERY CHARGE. This does not apply to customers on automatic delivery, unless a request is made for a delivery before it is scheduled.
